

Dear Dance Friends!

Once again we allow ourself to invite you to come and dance with us during the third weekend in October, where we, as has become our tradition, offer our "Hanácké Special Dance" at the Children's and Youth Center in Olomouc. Everything remains the same - the venue, great performers, the unrivaled Hanácké buffet and the possibility of night RD from the recordings. We have only one change - to have more space for square dancers than just in the classroom by the buffet, they will have the gym at the neighboring school available on Saturday for dancing.

We will have a pre-registration form prepared for you on our website since September, which we ask you to fill in, so that we can plan our program in accordance with your wishes and needs.
